Annual activity report (secretary)

Date The report is written on 2016-10-12

1. Journal

The journal was ready just in time to be brought to the ConT_EXt-meeting in Nasbinals. Mojca sent after the meeting copies to the members not attending the meeting.

During the meeting in Nasbinals it was agreed upon picking up the preparation of the journal directly after the meeting. However this did not really happen. For a long time there were only the articles by T. Hoekwater, G. Egger and W. Egger. Later J.-M. Hufflen's article was sent but it did not make it into the repository immediately. – So when the summer came the secretary started to push the production of the journal. In a joint effort the president and the secretary produced the issue, containing the proceedings of the Nasbinals meeting with inclusion of the minutes of the 2015 members-meeting.

2. Christmas-Cards

As in previous years we are thankful, that H. Hagen provided us the cards for the seasons greetings at the end of the year. The cards were sent to members and selected people in time.

3. Boardactivities

The past period was a quiet one. Any issues to be dealt with were discussed by e-mail.

4. Server at Jozef Stefan Institute (CMI)

Unexpectedly the lioness server's disks died early April 2016. The whole server was reconstructed in the following week by Mojca and Johnny (Janez Srakar).

5. Organization of the ConT_EXt-meeting 2016

Announcements for the forthcoming meeting were done early by the president who also updated the website. For the new meeting he and the treasurer organized the meeting-gifts.

The meeting was manly organized by Ton Otten (Pragma) and our president.
